

Year 1 Family Learning Project

Theme: Dinosaur Planet

Please choose at least one of these 'Dinosaur Planet' activities to complete this term. Please return all work to school by Friday 16th October so we can share and celebrate our learning.

Work with grown-ups at home to research amazing facts about the age of the Dinosaurs. Why not make a poster about your favourite dinosaur?

Visit a tropical animal centre or shop and have a closer look at some modern day reptiles. Take some photographs to show the class.

Entertain your family and friends by reading them some side-splitting dinosaur jokes – write some down and bring them into school!

Create a dinosaur mask and bring it into school for a dinosaur parade!
