

Year 1 Family Learning Project

Theme: The Enchanted Woodland

Please choose at least one of these 'Enchanted Woodland' activities to complete this term. Please return all work to school by 20th May so we can share our efforts.

Plant some daisies, poppies or other wild flowers. Draw and write a diary about the changes you see each week. This could even be a photo diary to show the changes.

Measure the height of small trees or bushes, sticks, twigs and leaves found in your garden or local park. You could always record your findings on a chart.

Make a miniature home or garden for a fairy or pixie using natural materials.

Write a 'Who am I?' riddle for your family or friends to solve. Write clues about a woodland animal, plant or tree.
