

# YEAR 3 Family Learning Project – **Scrumdidlyumptious**

Remember you need to show your best presentation in all tasks please!

Complete at least 3 puzzle pieces by **11<sup>th</sup> December 2015**

During Scrumdidlyumptious children will be learning about the different food groups and will be using maps to identify where the food they eat comes from.

We look forward to seeing your fantastic work!

Complete a food diary for a week of all the food you eat!

Design your own menu for a restaurant

Help do some cooking at home and take pictures

Research where your favourite food comes from

Make your own chocolate box – don't forget to describe the chocolates inside!

Create your own food art. (Be as creative as you can!)
