

# YEAR 3 Family Learning Project – Tremors

Remember you need to show your best presentation in all tasks please! Complete at least 3 puzzle pieces by **5<sup>th</sup> February 2016**

During Tremors children will be learning about Volcanoes and Earthquakes. We will look at how natural disasters affect peoples lives and will make comparisons between where we live and the island of Hiemaey

We look forward to seeing your fantastic work!

Write a fact file on a recent earthquake

Create your own volcano!

Design a poster in how to prepare for an earthquake

Research into answering this question:

Are earthquakes more dangerous than volcanoes?

Design your own island with a volcano. Where would you put the houses, school, local shops? What else would your island need?

Write a diary entry starting with looking out of your bedroom window and seeing a volcano erupt!
