

Year 2 Family Learning Project

Choose at least one of these 'Wriggle and crawl' activities to complete this term.

Go on a minibeast safari with your family. Investigate your garden, local park or woodland to search for wriggling, crawling creatures. Take photos or draw your findings!

Visit the library to find stories, poems and non-fiction books about minibeasts. Create a fact file for your favourite crawly creature.

Make a minibeast model using art materials. Pipe cleaners should help you get started!

Use the internet to research a chosen minibeast. Create a poster with facts and diagrams.
