

You need to choose at least 3 pieces from the following jigsaw and complete them during Term 2. Please bring these in by the last week of Term 2. We have given you some tasks to do, and we would then like you to tell us about what you found out in whatever way you wish.

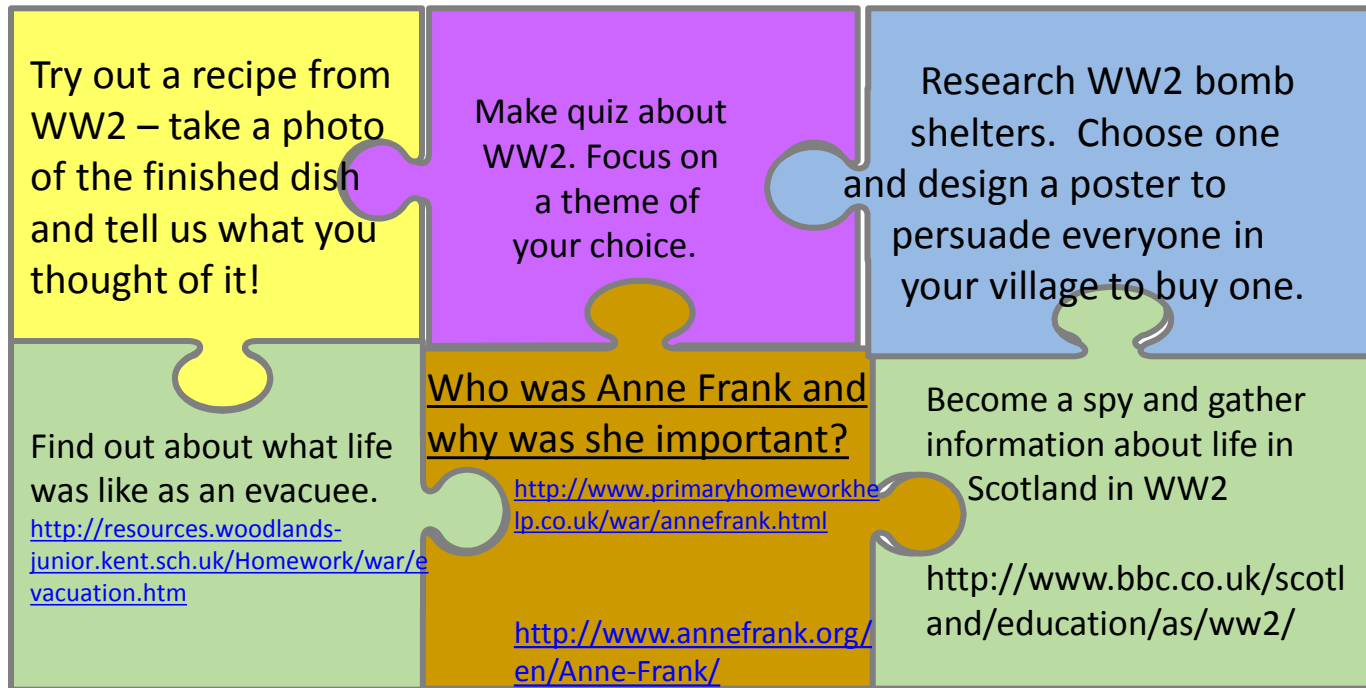

Try these web sites for recipes:

Our History theme for this term is World War 2. We hope that these tasks will help you to learn more about living in WW2, and about some people who were important.
