

Year 1 Learning Celebration

Explorers

We have been amazed at the standard of the family projects this term take a look!

Merit Winners

Congratulations to these children who have worked hard and earned a merit certificate this term:

Aliza Turner
Alfie Gunner

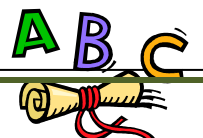

Jessica Watts
Daisy Shoebridge

Beau Harris
Guy Baker

Callum Reilly
Coby Hart

Paige Stokes
Vinnie Ibekwem

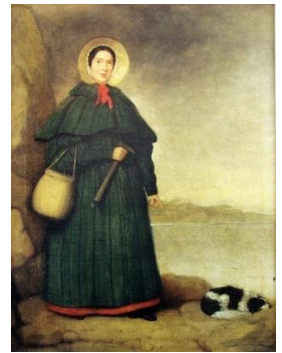

Daisie Grimmond
Skye Beatson

History

We have been learning all about Ernest Shackleton and Mary Anning. Two very different explorers! At the beginning of term we acted like Mary Anning as we dug for fossils. Then we acted like Ernest Shackleton as we went on an adventure and explored the school with our specially made sandwiches in our packed lunches!

Marvellous Maths

Look at all of the maths learning that Y1 have enjoyed this term!

We have learnt about place value, number bonds and addition.

We have also consolidated our understanding of addition and started to memorise number bonds to ten!

Memory box

Our next learning project is 'Memory box' which is a **history** based topic. We will be looking at who is in our family and the things we could do when we were babies compared with what we can do now as well as how the world has changed.

On the First Tuesday back we will be having a Teddy Bears picnic (8th November) so please bring your special Teddy in.

To start off our topic we will need pictures of the children as babies please could you send one photo in in the first week of next term thank you!
