

Geography

During this topic we have learnt about the countries within The United Kingdom and have learnt interesting facts about the capital cities. We have also practised following and giving directions using a compass.

Science

In Science, we have enjoyed learning about the life cycles of different animals and we loved watching the eggs hatch into chicks.

Beachcombers

Our next learning project is 'Beachcombers. We will be making comparisons between Allhallows and Pangkor island in Malaysia and will be creating our own travel brochures. In science we will be learning about plants and will carry out experiments to discover what plants need to
