

Dolphin Class Family Learning Project

Theme: Muck, Mess & Mixtures

Please choose at least **two** of these 'Muck, Mess & Mixtures' activities to complete this term. Please return all work to school by **Monday 11th December 2017**

In the bath, use a measuring jug to measure different amounts of water.

Cook something with a grown-up and create a picture record of what you have done.

Set up a melting experiment. Take 2 or 3 glasses and fill them with the same number of ice cubes. Put them in different places and see which melts first. Do the ice cubes melt faster if you stir them? Take photos of your experiment.

Create your own piece of artwork inspired by Carl Warner using foods you have at home. Take photos of your creation.
