## Term 1

Welcome to a brand new academic year! The children have all settled back in nicely and we're all ready to get started on our first topic this year (details below)

### Meet the team

**Teacher:**

Mrs Benjafield

**Teaching assistants:**

Mrs Briggs

Mrs Wilson

Mr Myles

### Our topic is . . . Colours

This topic will allow us to find out more about the children and their favourite colours. We will be looking at different stories that are related to colours - Rainbow Fish and Elmer the Elephant. In English work we will continue to work on key reading and writing skills such as linking letters to sounds and forming letter shapes. In Maths we will be using numbers to 20 (and sometimes beyond) to solve practical problems. We will also be looking at number

**1 2 3** formation and the ordering of  
**4 5 6** numbers.  
**7 8 9**

### Ways to help your child

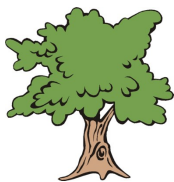

**Keep in touch** - read and sign the contact book every day.

**Read** - try to share a book with your child at least 3 times a week.

**Talk** - to your child about what they have been doing at school. The contact book will give you details of activities to talk about together.

### Important information

**PE** - Please make sure your child has the correct PE kit in school, with everything clearly named! These will be kept in school until the end of each term. We will be teaching PE outside as well as inside, so do keep an eye on the weather.

**Forest school** - We will be going offsite to our Forest School provision every other Monday starting on Monday 11th September. Please send in wellies and waterproofs on these days.

**Snack**—Please provide your child with a healthy snack and a bottle of water.
