

Turtle Class Family Learning Project

Heroes and Villains

Please choose at least **two** of these 'Heroes and Villains' activities to complete this term. Please return all work to school by **Tuesday 19th December 2017**.

Collect stories from newspapers and magazines about everyday heroes.

Make a collage portrait of a villainous character.

Sketch a portrait of your hero from photographs or images. You could use watercolour paints to bring your sketch to life.

During a visit to the local library, you could read a range of picture books from the children's section. Why not make a list of the heroes and villains that you read about?
