

Year 1 Learning Celebration

Merit Winners

Every body has worked very hard this term and we wish we could give a merit to everyone however, congratulations to these children who have worked hard and earned a merit certificate this term:

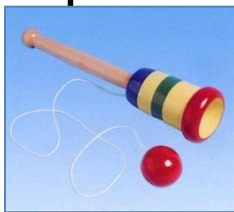

Jacob	Nikki-Layne
Dylan	Isla
Zachary	Ethan
Declan	Alfie
Daisie-Rose	Amelia

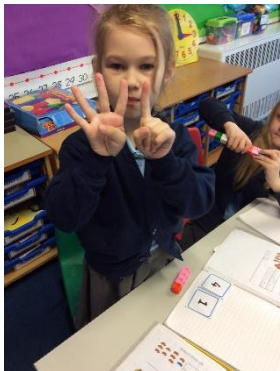

History

This term our topic 'Memory Box' is based around learning about old and new toys and how they have changed over time. In particular we have looked at how the materials that toys are made from has changed over time and how many toys that we have now weren't around when our mum's and dads were children.

Marvellous Maths

This term in maths we have been focusing on adding and subtracting, We have been using the 'part whole model' to master this skill. We have really enjoyed adding and subtracting in lots of different ways and now we can do calculations in our head all by ourselves!

Bright Lights Big City

Our next learning project is 'Bright Light's Big City'. During this topic we will be learning about London. We may even be lucky enough to get a visit from the Queen!
