

Year 1 Learning Celebration Newsletter

Bright Lights Big City

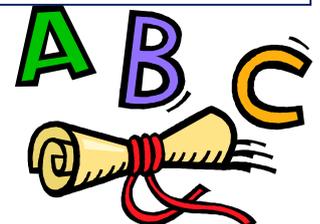

Merit Winners

Every body has worked very hard this term and we wish we could give a merit to everyone, however, congratulations to these children who have worked hard and earned a merit certificate this term:

Amelia S,	Lucy S
Miley P.	Isabella B
Bella T.	Amelia B
Emilis V.	Tabitha P
Jack R	Ricky W

Things to celebrate this term

This term we have been very lucky in year 1 to have received a Royal visit from the Queen. The children prepared for Her Majesty's arrival by decorating the classroom with Union Flags, icing biscuits and creating their very own art gallery of portraits of the Queen!

Bright Lights Big City

This term our topic has been 'Bright Lights Big City'. The children have really enjoyed this topic and have learnt lots of new information. We have been doing a lot of work around London. We have been finding out information about The Queen, different landmarks and using maps to find where we live and where London is. We have also be very lucky to have met The Queen this term, we made her cakes, asked her questions, had our photo taken with her and painted portraits. The children were very excited about our visitor. The children's learning and writing has been excellent this term! Well done Hedgehogs and Rabbits.

We are becoming experts at maths

This term we have been looking at addition and subtraction, we have been practising counting on and back from any number and making sure we are confident with all numbers up to 50. Encourage children to tell you what numbers they can see when they you are out and about, can they count

on and back from these numbers?

Notes and information for next term

Reading at home is extremely important for your children's reading development and should be done every night. This could include sharing a bed time story, your child reading to themselves, siblings or yourself. We love hearing about the reading that they do at home, so please record it in their contact books.

Children should have their PE kits in school every week. Child love carrying out PE and are really missing out if they do not have their PE kits.

Far, Far Away

Our next topic for next term is Far, Far Away, which is a geography based topic as we will be looking at places far away, both real and fantasy. Children will be learning about Traditional Tales, such as Jack and the Beanstalk. We will also be learning about animals including fish, amphibians, birds, reptiles and mammals that live in different parts of the world.
