

Year 6 Inflatable Fun Day

Dear Parents/Carers,

Following the success of the last two years, the children have again decided on a fun-filled inflatable day, to be held on Thursday 19th July.

The children will have to conquer the Exhaustathon Obstacle Course and master the Atomic Party Slide!

There will also be a 'selfie' booth to make some lasting memories, a chill out zone - when they need to get out of the sun, archery for all those budding young Robin Hood's and the disco divas among us can dance the afternoon away in the disco dome.

We will have a picnic up on the field followed by a water fight to end all water fights!!!

Kids - here's where you come in ...

You will be given a Smartie tube - once you have scoffed all the chocolate, get doing jobs and chores for your parents to earn £1 coins and pop them into the empty Smartie tube. Every child who returns a full Smartie tube will be put into a hat to win a prize!

All tubes must be returned by Friday 29th June and we are aiming for at least £10.00 per child to cover the cost of the course. That's 10 jobs!

The children have really had a fantastic day the last two years and we hope to make this years the biggest and best yet!

We appreciate all your help.

The Year 6 team.
