

Year 1 - Term 4

Dear Parents/Guardians,

Curriculum Overview for Term 4

Our learning journey this term is “Bake off!” and the children will be working towards designing and making their own biscuit. The children are going to find out where food comes from in the world and within our local community. By the end of the term the children will have designed their own biscuit and created advertisements to go with them.

Expectations

Thank you for reading with your child five times a week. There are plenty of fun incentives for the children to read such as extra playtime at the end of week and having the chance to take the class toy home for the weekend. They will also have the chance to be placed in a raffle where the lucky winners get a trip to the local park.

Every week your child will be given spellings to practise at home. We will also practise these words daily as a whole class and in small groups.

P.E.

We are passionate about making sure the children are active and participate in physical activity. P.E. this term will take place on alternate Tuesdays and Thursdays. However, due to the curriculum, physical activity may happen on other days. For this reason, please could you make sure P.E. kits are in school at all times, and children have earrings removed at school OR are able to remove their own.

Phonics

As you are aware from Mrs Brown’s workshop she has been running, the children will have a statutory phonics screening in June. To help your child with this please could you practise sounds and blending them accurately. We highly recommend the free games you can access on phonics play.

Thank you for your support,

Miss Durkan and Miss Winch
