

courage - confidence - respect - belonging

Welcome to Owls and Robins

2019-2020 Owls and Robins

Class Teacher

Mrs Hunt and Ms Tan

Teaching Assistant

Mrs Potgieter and Mrs Saunders

Home Learning Owls and Robins

English:

Reading a variety of books at home. This can be reading a book aloud every day or sharing a book with an adult. Don't forget to complete your quiz!

<https://readon.myon.co.uk/>

Summer Reading Challenge This year, Medway Library Services have launched their Summer reading challenge with a social distancing spin on it. Get rewards, play games and earn badges. Are you up for the challenge?

<https://summerreadingchallenge.org.uk>

Superheroes!

Jo, Raja and Sammy have helped lots of people. Read or listen to one of their stories:

<https://soundcloud.com/talkforwriting/playground/s-UJObMpzawKu>

Activity 1: Can you create your own superhero name by following the instructions? What will your superhero power be?

Activity 2: Look at the well-known symbols. Do you know who the symbols belong to? Create your own superhero symbol.

Activity 3: Read and follow the instructions to make some cuffs.

Activity 4: Create your own superhero and describe them. What do they look like? What are their super powers? Who are they when they are not in disguise?

Maths
+
On-Line Learning

Please use BBC Bitesize as your maths home learning. Each day it will tell you what you are learning and you will be able to watch 1 or 2 videos on this. It will then have an activity you can do and usually a game as well. It is most beneficial to sit with your child and watch the video as well, perhaps pausing the video at points to ask a question and check their understanding.

1. Go to the website. <https://www.bbc.co.uk/bitesize/dailylessons>

2. Scroll down to choose the correct year group's work

3. Attempt the work for the correct date. You should do 1 maths lesson on BBC Bitesize everyday please. This includes watching the video/s and completing the activity and game afterwards.

As well as your daily lessons, you should also spend some time practising your timestables everyday. You can practise them using; Timestable Rockstars or by using one these websites:

- Play Hit the Button - <https://www.topmarks.co.uk/maths-games/hit-the-button>
- Play Daily 10 - <https://www.topmarks.co.uk/maths-games/daily10>
- Sing along to super movers times tables songs - <https://www.bbc.co.uk/teach/supermovers/times-table-collection/z4vv6v4>

- Use some of the many resources available on BBC website - <https://www.bbc.co.uk/teach/skillswise/times-tables/z4gs7nb>
- Penguin jump – online game - https://www.mathplayground.com/ASB_PenguinJumpMultiplication.html
- Monster multiplication – online game - https://www.mathplayground.com/math_monster_multiplication.html

Learning Journeys:

Superhero Vehicle: Some superheroes have special vehicles. Batman has the bat mobile and Teen Titan has the T-Car. Using junk modelling, create a vehicle for a superhero of your choice. Write an explanation on how your vehicle works.

Superhero Craft: Choose one of the craft activities on the attached sheet. Will you make a handprint flying superhero picture or a bottle jet pack?

<https://www.twinkl.co.uk/resource/t-t-21080-superhero-themed-craft-activity-pack>

Who is your superhero? Who is special to you? What makes them special? How do they make you feel? Who is your superhero? Make/draw your special person and add 4 hearts. Write what makes that person special on each heart.

Local Area: Think about your local area. What are the buildings used for? What are the good, safe places? What are the unsafe, horrible places? Superhero High Command have asked you to write a report about your local area. Make sure you include the following headings:
 building use,
 safe places,
 horrid places,
 places villains might hide,
 places superheroes could have a secret lair.

Invisible Aeroplane: To help your superhero escape from the villains they need an invisible aeroplane. Can you make one using clear, plastic containers and sellotape?
