Important Information

TERM 6: We hope that you have enjoyed visiting Washington D.C last week and have learnt lots of new and exciting facts. We are leaving Washington D.C and travelling 2,792 miles to our final destination.....

CALIFORNIA!

We would love to hear what you have been up to or answer any questions via our shared mailbox - hswhomelearning@r-i-t.org. **There is now a page on the school website to celebrate home learning, which work and photos will be uploaded to!**

Keep your eyes peeled for another addition of George's Marvellous Medicine read by Mr Millard 😊

Fact File: Whilst travelling to the different states, we would like you to create fact files based on the different states/cities that you visit. This week it's all about **California**. In your fact file we would like you to include the following information:

- Name of state
- Climate
- Population

- Famous Landmarks
- Interesting Facts

If you want to include other pieces of information, please do so! The way in which you create your fact file is completely up to you. You can be as creative as you wish. We have attached a template on page 6 to support you.

Sightseeing: Complete some research and create a poster of the places that you can visit in California. Try and include some important information such as where it is, does it cost any money etc. You can present this however you like!!

SUMMARY OF YEAR 4!! 😊

As Year 4 comes to an end, we would like you to write a short paragraph on the year. Try and include the things that you have enjoyed and moments that have made you laugh:

- What your favourite part of year 4 has been?
- What's your favourite memory? This could be a specific moment or an event.
- What's been your favourite learning journey?
