Last term in Year 6

What an incredible start to the year it has been! With two exciting trips already completed and our regular sessions at Chimera underway, the children have embraced every opportunity for hands-on learning with enthusiasm and energy. Their willingness to tackle new challenges and their growing curiosity have set a wonderful foundation for a year full of exploration and discovery.

Last term, the children explored the importance of our oceans and how they have changed over time, with a particular focus on the Great Barrier Reef. Through thoughtful discussions about climate change and pollution, they developed a deeper understanding of the environmental challenges facing marine life today.

Our fieldwork visits to Upnor and Margate Beach brought this learning to life, giving the children the chance to extend their understanding beyond the classroom. These experiences not only reinforced key concepts but also inspired a genuine passion for protecting our environment. Most importantly, the children thoroughly enjoyed both trips and created many happy memories along the way!

Year 6 Learning Letter Term 2

Hoo St Werburgh Primary School

This Term's Learning Journey

What was life like during Tudor Britain?

This term, the children will explore the fascinating world of Tudor England, beginning with an investigation into the life of Henry VIII. They'll look at different types of historical evidence to understand his character. Using a range of sources, they'll also learn about Anne Boleyn and gain an insight into her impact on Tudor society.

The children will continue their journey by exploring the Royal Progresses of Elizabeth I, using original historical sources to understand these grand tours and even recreate one themselves. They'll also study lists of possessions, called inventories, from Tudor times to learn about daily life in that period and will then create their own realistic Tudor-era inventory.

Subject Specific Information

English	Character description, persuasive letters, newspaper report
Maths	Fractions and converting units
History	The Tudor Period and Henry VIII.
Art and DT	Tudor Portraits
RE	Why does religion look different around the world? (2)
Music	Exploring Baroque music and composers of the Baroque Period
French	Homes and houses
Computing	Creating media – Web page creation.
PE	Rock Climbing and Badminton
PSHE	Connecting with others: What does it mean to stand up for myself and others?
