Year 5 Learning Letter Term 1

This Term's Learning Journey

Were the Vikings traders, raiders or settlers?

This term in Year 5, we are going to be learning all about the Vikings! We will explore why they came to Britain and what made them such great raiders and explorers.

We'll investigate what life was like in a Viking village, from their homes and farming to their laws and families. Along the way, we will uncover fascinating myths and stories, as well as learn about their long trading journeys and the places they visited.

As we go along, we'll discuss how the Vikings changed Britain and reflect on what they achieved during their time here. By the end of the term, we'll be ready to answer the big question: Were the Vikings traders, raiders or settlers?
