

## Year 3 Term 2:

Term 2 in Year 3 was a massive success! The children were fully immersed in their Egyptian learning. In addition to this, they completed their WOW Day which saw the parents assist them to create canopic jars.

As part of learning about mummification, we also tried to mummify a tomato. It was great fun! Everyone worked hard when creating codes during our computing lessons.

## Year 3 Learning Letter Term 3

This term, we will be looking at the local area during our Hoo, what, where? Learning Journey. This will see us look at the surrounding areas including London and Rochester. We will be using compass points and coordinates to create maps of the local area which the children will then follow. In addition to this, we will be learning about the Human Skeleton and how it protects and supports our body. We will also have a focus on learning our 3 times tables and the related division facts from 1 x 3 to 12 x 3.

## Other Subject Information:

|           |                                            |
