

Last term in Year 5:

Last term, we embarked on a fantastic journey to the Alps and explored France in greater depth. We compared the French Alps with Hoo, examining both their human and physical features.

The children then stepped into the heart of Paris by tasting a selection of traditional French foods - including croissants, baguettes, and madeleines - to support their DT project.

During their DT sessions, the children planned and designed their own madeleine recipes before putting on their chef's hats to bake their adapted creations, each bursting with unique flavours and toppings. We can confirm—they were absolutely delicious!

Year 5 Learning Letter Term 4

Hoo St Werburgh
Primary School

This Term's Learning Journey

This term, we are stepping into the fascinating world of the Maya civilisation. We will be exploring where the Maya lived, discovering how their achievements have influenced life today and beyond, learning about the gods and goddesses that shaped their beliefs, and finding out what led to the decline of their civilisation. We will also compare these events with what was happening in Britain at the same time to deepen our understanding of world history.

During this term, we will also complete a DT project in which we will create our own stuffed toys. This will involve planning and designing our ideas, then bringing them to life using a variety of hand-sewing techniques.

Subject Specific Information

English	Speech, Biography, Narrative
Maths	Decimals, Perimeter and Area, Statistics
Science	Animals including Humans
History	Ancient Maya
DT	Stuffed Toys
RE	Christianity
Music	Composition to represent the festival of colour
French	Clothes
Computing	Flat-file Databases
PE	Tennis, Netball
